In Loving Memory of Gizmo

🐾 October 24, 2009 – April 29, 2026 🐾

With heavy hearts, we share the passing of our beloved kitty, Gizmo, who left us at the age of 16. Though he faced gastric lymphoma, Gizmo never let it define him—he remained, at heart and in spirit, a young kitten until the very end.

He continued to play, eat with enthusiasm, purr endlessly, and shower us with love. His joyful nature and affectionate soul brought warmth and comfort to our home every single day.

Gizmo's passing was rapid and unexpected, making the loss even more profound. While our time with him feels far too short, we are incredibly grateful for every moment, every cuddle, and every memory he gave us.

We extend our deepest gratitude to Dr. Adrianna with Lap of Love Veterinary Hospice for the compassion, care, and dignity shown during his final moments. Their support meant more than words can express.

Now, we find comfort in imagining Gizmo running free and cuddling once again with his beloved Lily-kins, reunited in peace and love.

Gizmo taught us unconditional love, resilience, and the simple joy of being present. His paw prints are forever etched on our hearts.

Run free, sweet boy. You will be deeply missed and always loved.
